Thank you for been tolerant with the parking, this was a problem that hit us just a few weeks ago. Rudolph's romp will return later this year back in its usual position of the last before Christmas. Once again thank you for your support.

Rudolph's Romp 2011 Sat 3rd December 2011

The traditional last of the season, now very popular and pre entry is highly recommended. The route over the southern end of the East Yorkshire Wolds gives a great view of the Humber estuary and the dales it walks through. This event is run to raise funds for charity, which this year will be Mountain Rescue England and Wales, a charity which is at the heart of many of the walking/running community, we never know when we will need them. More info and entry forms from: - Rudolph's Romp 2011, 27 Main St, North Frodingham, East Yorkshire, Yo25 8JX or eyldwa_entires@btinternet.com
