East Yorkshire LDWA would like to thank all that took part in Scarborough Rock for your continuing support. We had 254 entries and only 3 retirements, this being the second running in its now biannual format, showing that support is strong for our walks which we must thank you for.

As many will know the weather put a stop to the Rudolphs Romp back in December. I'm sure many would have liked the challenge of a snow covered walk, but logistically this wasn't possible with 12 inches of snow in the carpark! As this walk donates all profits to charity it will take place on 5th March 2011 and there are still entries available.

The Woldsman, now in its 4th year at Driffild based on the showground, will take place over the weekend of 16th & 17th April 2011. This is 50 miles over the Yorkshire Wolds taking in some private access and visiting Sledmere, Wharram Percy, Thixendale, Givendale, Millington and Wetwang - truly a stunning walk in stunning scenery.
